Dear Sir,

RE: MISS/ MRS/MRS DAYID SALIMA: LETTER OF REFERENCE

I humbly recommend Mr **Dayid Salima** for the admission she has applied for in your institution, she is very qualified. I was her lecturer for over three years.

Mr **David Salama** has excellent written and verbal communication skill, her calm disposition and organizational skills enable her to work and study independently and also as an effective team player,

Consequent upon the above and her academic qualification, I have no doubt in recommending her as a student in your university.

I shall appreciate if the admission is given to her.

You can contact me if the need arise.

Yours faithfully.

MR. GIBSON DUKE

LECTURER
