General information *

First day

Boarding students are met at the school on Sunday afternoon by a boarding house tutor or a member of the summer school staff. On Sunday or Monday evening, students can be accompanied into town so that they can change currency, take photos or buy a Sim card for their telephones, as required.

Dinner is served for boarders that arrive on Sunday night before the start of courses on Monday.

On the first day of lessons, students must report to the school's secretarial office between 8:00 a.m. and 8:30 a.m. on Monday morning in order to receive and sign their student cards. An information session is held for all new students from 8:40 a.m. to 9:00 a.m. on Monday.

Bracelets

Upon arrival, each student receives a bracelet whose colour corresponds to the language to be studied at Lemania School : blue for French, red for English. On the campus, students must only speak the language shown on their bracelets, except in dire emergencies.

Meals

External students can eat lunch in the boarding house for the price of CHF 16.50 per meal, or choose the 5-day lunch package at CHF 80.- per week.

Meal tickets must be bought from the secretarial office before 9:00 a.m.

Schedules

Students must conform to the course schedule corresponding to their programme.

Activities and excursions

Boarding students have an intensive activity programme scheduled every afternoon, evening and weekend. The weekly programme is displayed every Monday morning on one of the screens in the school's main hall.

External students can enrol on the CHF 230.- fixed-price excursion package (5 to 6 activities per week in the afternoons). Information and the cost are provided by the secretarial department. Students must enrol for the activities by Monday morning at the latest. However, it is possible to choose some of the week's activities on an individual basis, as displayed on the screen in the main hall, (the price per activity varies between CHF 30.- and CHF 110.-). Enrolments for individual activities must take place by 9:00 a.m. at the latest on the same day.

For external students, certain activities have a limited number of places so they are advised to sign up for them at the earliest possible opportunity.
